

- ISO Certified Classrooms and Labs
- Hands-on experiments on real Huawei Switches and Routers
- Huawei Certified Trainers/Instructors

TRAINING COURSE FOR HCNA CERTIFICATION

The Department of Telecommunication Engineering, MUET in collaboration with Huawei Technologies Co. Ltd. has established Huawei Authorised Information and Network Academy (HAINA). The academy provides students the environment to work on real Huawei routers and switches to help them acquire certifications and strengthen their professional carrier. With HCNA certification, you demonstrate a basic understanding of small and medium-sized networks, including general network technologies, and the ability to assist the design of small and medium-sized networks, and implement the designs using Huawei routing and switching devices.

Registration form: <http://tl.muet.edu.pk/haina>

HUAWEI CERTIFIED NETWORK ASSOCIATE (HCNA)

APPLY NOW
FOR HCNA TRAINING COURSE

REGISTRATION DUE DATE

- **September 25, 2018**

COMMENCEMENT DATE

- **October 1, 2018**

TIMING

3:00 PM - 6:00 PM
(Monday & Tuesday)

VENUE

Huawei Lab, TL-MUET

COURSE FEE

Rs. 8000/-
(can be paid in two instalments)

Course Highlights

- Networking essentials.
- Switching protocols like VLANS, inter VLAN routing, Ether-channel, GVRP.
- Routing protocols like OSPF, RIP.
- Configuration of FTP server, DHCP server, Telnet.
- IPv6 Networks and Network Security

Key Benefits

- Top 20% students get free HCNA exam voucher worth 200 USD.
- Each HAINA student will have their own portal to manage their training activities and access training resources.
- HAINA students may get Huawei internship and job opportunities.
