TERMS AND CONDITIONS

1. Only one idea can be submitted per group/team.
2. Each team must be minimum of 3 students and maximum of 5.
3. All registered participants will be invited to a Mandatory Training session and failure to attend would disqualify them from the competition
4. If the application is shortlisted to the next stage, failure to attend all subsequent events and training workshops, if any, will disqualify them from the competition.
5. MUET reserves the right, at its sole discretion, to disqualify any individual found giving false information or violating the competition rules.
6. MUET reserves the right to review and modify the rules, regulations and timings of the competition events if deemed necessary.

COMPETITION TIMETABLE AND JUDGING PROCESS

1. The deadline for submission of all entries is Jan 25, 2017
2. The initial applications will be evaluated by an independent panel of judges to select participants whose applications are complete in every respect.
3. The successful applicants will be trained on writing an effective business model for a startup.
4. Judges will not see any personal details of applicants to ensure a fair and unbiased selection process to the finals.
5. Top 3 teams will get the award & seed money in Islamabad and space in Technology and Business Incubation Centre, IEC to start their own businesses.
